

PRO CHRISTO IN SACERDOTE SUO

For Christ in His Priest.

A Life of prayer and penance centered on Eucharistic Adoration for the Sanctification of Priests, especially those in spiritual need.

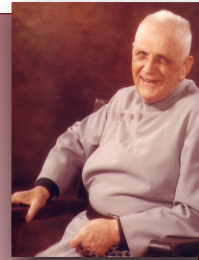

SEMPER PER MARIAM

Always Through Mary

Constantly striving to live and love as Mary did, the first Handmaid of the Lord, Our Mother and Our Model.

“The great mistake of the priests who fail God is that they forget that the priest must also be the **Victim**

...Identify yourselves with the **Precious Blood** by a willingness to suffer.”

“To assist in the sanctification of priests to the end that they may be holy and thus fulfill more effectively their sacramental role, is a work dear to the Heart of Christ, Itself the Chalice and Font of the Precious Blood.”

“The Blood of Christ must flow through you to the hearts of men.”

“Where does a **Handmaid of the Precious Blood** belong? It is at the foot of the Cross.”
