

Special Candlemas Holy Hour

On March 25th we joined the Church in entrusting and consecrating the world to Mary's Immaculate Heart begging her intercession for peace in Ukraine and Russia.

Sister Mary Genevieve had the honor of crowning Our Lady this year!

Knights of Columbus Initiative to Promote Eucharistic Processions: We pray many souls catch their holy enthusiasm!

All your needs and intentions will be remembered in our Corpus Christi Novena of Masses. Please send us your prayer requests via our website or mail.

As we celebrate the Solemnity of the Body and Blood of Our Lord Jesus Christ, his gift to us of the Eucharist, it is only fitting to recall the word 'thanksgiving'. We must thank all of you for your prayers for us, your support, care, and love over the last 75 years. In recent events, Our Lord has once again reminded us of his Providence that comes to us through the hands of others. In our last newsletter, which we really expected to be our last, we mentioned moving to a purely digital format. But we also used that electronic means to ask if any Lord Jesus might wish to sponsor printing and mailing costs so we could continue this service especially for our dear benefactors, family, and friends who could not use the new media.

In deep gratitude we rejoice that generous souls are now assisting us in this expense which we hope to continue. Likewise Our Lord blesses us with vocations as women seeking to discern the Handmaid life come to live with us. Our Postulant Maria became Sister Maria Crucis of Saint Joseph on March 24th. We welcome the arrival of Aspirant Shannon and keep up our prayers for Aspirant Chrissy as she works with Labouré Society to reduce student debt in pursuit of vocation. All the while we commend to Great Saint Joseph our plans for the building of Holy Family, an addition which will help get us all over under one roof from cell to Chapel and everywhere in between!

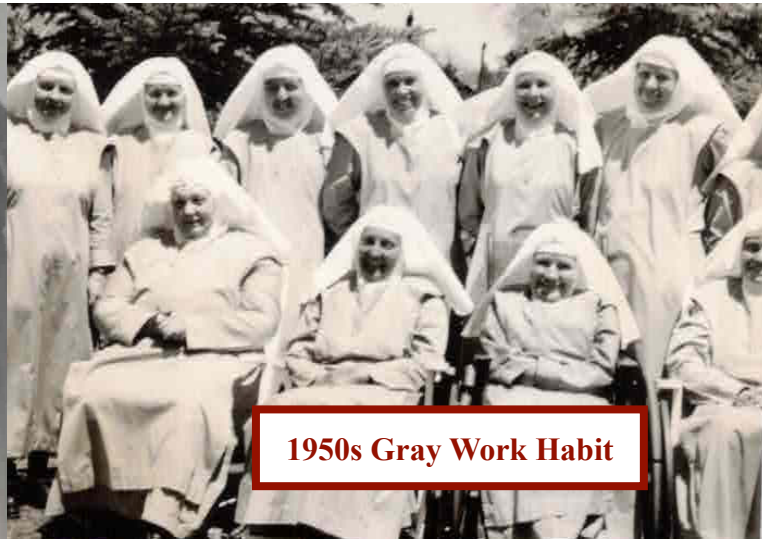

PROVIDENCE DID PROVIDE	PROVIDENCE CAN PROVIDE	PROVIDENCE WILL PROVIDE
