

“THE HANDMAIDS OF THE PRECIOUS BLOOD NEED THEIR KNIGHTS TO HELP MAKE THIS EXPANSION A REALITY!”

BROTHER KNIGHTS,

You already know the Handmaids of the Precious Blood. You’ve seen their quiet presence, their unwavering prayer, and their deep devotion to our priests. They’ve been part of our Knoxville Catholic family for years – and now they need us.

The Handmaids have launched the **Holy Family Expansion Project** to build a larger chapel for Eucharistic adoration, an infirmary for their aging sisters, and new housing for incoming vocations. They live behind the scenes – but we know them. And now is the moment for their Knights to stand up and stand with them.

HERE ARE THREE CONCRETE WAYS YOU AND YOUR COUNCIL CAN TAKE ACTION:

1 Get the campaign ads into parish bulletins across your region. You can download them at nunsforpriests.org under the Capital Campaign button.

2 Organize a fundraiser – just one a year for the next three years. A BBQ, bake sale, or pancake breakfast – whatever your council is good at, put it to work for the Handmaids.

3 Make a personal gift if you feel called. Every donation, large or small, goes directly to the sisters.

You’ll also find a pulpit pitch and other resources online to help you be strong ambassadors for this cause.

The Handmaids have prayed for our priests – and for us – for years. Let’s show them their Knights of Columbus haven’t forgotten them.
